## Con or Bust

Con or Bust is a not-for-profit organisation that helps people of color/non-white people attend SFF conventions. Con or Bust isn't a scholarship and isn't limited to particular types of con-goers, or to specific cons; its goal is simply to help fans of color go to SFF cons and be their own awesome selves. LexiCon has donated two memberships to Con or Bust, to be claimed by May 25, 2017. [Read more.](#)
